

Introduction

This book is part of a series titled “The Rising Of The Sons Of Dawn.” The Lord has recently taken me through multiple teachings regarding His Body’s rising up at the end of this age. Satan has deceptively built into the church many false teachings that are keeping us from entering into our destiny in Christ. Because of this, the Lord is exposing his lies and revealing the truth that will set us free. We cannot rise up when held in bondage to the devil. Through acceptance of his false teachings as truth, we are unable to grow up into Christ who is our Head.

It is crucial that we listen closely and receive the love of the truth so as to be saved (2 Thessalonians 2:10). A good place to start is “In the beginning...”, which this book does. God has chosen believers from the beginning for salvation through sanctification by the Spirit and faith in the truth, not lies. It is because of this, in this divinely appointed time of history, that the Lord is now calling His children to draw near to Himself so that He may share His heart, and protect them from the coming storm of His wrath on earth.

May the Lord bless you by giving you ears to hear and eyes to see that which the devil has hidden from us for years. To God be the glory, both now and forevermore!
